Carols by Twilight is for Everyone

Plans are slowly coming together for the first Carols by Twilight. The carols will be held on the lawns behind the hall during the early evening of December 3rd. Students in stage groups will be performing some old favourites such as Santa Clause Comes to Town while our wonderful Schools First music groups will also be showcasing their talents. Our Aboriginal dancers will be starting the evening off and we are hopeful that some groups from the Rutherford High will also be able to come along. All this will be tied together with some fantastic community singing of all the old favourites.

Our wonderful P&C will be providing a delicious dinner and there will be a chocolate wheel running with some fantastic prizes.

All Telarah parents and community members are warmly welcomed.

Friday December 3.

Telarah Public School, Live to Learn.

Year 6 Leaders

Our student leader candidates have begun the electioneering process this week with the boys and girls giving their speeches. All candidates have done a great job preparing and delivering their message and are to be commended on their efforts.

Remembrance Day Comes Early at Telarah

Remembrance day officially falls on November 11. This day commemorates the end of the First World War as the Armistice was signed at 11:00 am on the 11th day of the 11th month 1918.

Because year 6 are in Canberra next week, a small ceremony to recognise this most important day will be held this week. Poppies will also be available to buy.

All students will also recognise the official day next week in meaningful class based activities.

Taking time to recognise this event is an important part of our culture.

**Remembrance Day
Poppies have arrived
and will be sold
Wednesday,

front of the hall.**

**A new addition is
Remembrance Day

Telarah Rules

A visiting parent from another local school was at Telarah for an interschool chess tournament recently and she

commented on how warm and friendly the school looked and on how well mannered the children were. What nice comments.

Emotion Poetry by 5D

Sadness

Sadness is when you have no friends

I see people sitting on there own

I hear kids crying by themselves

I smell the air, its gone funny

I touch their sad faces as the tears fun down

I taste sadness all around me

By Thomas

Sadness

Sadness is when someone has been last

I see peoples emotions through tears

I hear the sinister whisperings of loves ones

I smell the blueness in the air

I tough my mum on the back as she cries

I taste the dryness in my mouth
