Telarah Puts On Its Best Face

A huge thank you is extended to the many parents, students and staff who have welcomed me so warmly to Telarah Public School.

I have been in education for over twenty years with twelve of these as Principal. My family and I have lived in many NSW country towns including Broken Hill, Nyngan, Armidale, Wallabadah and now Maitland. As Principal of Wallabadah Public, Paterson Public and more recently Bellbird Public school, I have developed a real passion and interest in Public Education and providing the best opportunities for all students.

While I have only been at Telarah Public School for a short time, it is clear to me that the school is held in high regard by the community and is a vital part of the Telarah area.

Having spent time with the staff of the school, I can see that they have a clear and steady focus on improving the outcomes for all Telarah students. Their commitment to the welfare needs, the academic needs and the life opportunities of all Telarah

students is to be commended. I look forward very much to my time at Telarah.

Please feel free to drop in and say G'day.

Best wishes
