## **Telarah Musical Hits the Spot**

With only one short week until the ***Circus Splendida*** comes to town, the school is in full rehearsal mode. The running of a whole school musical has many benefits; some obvious, some not so obvious.

The obvious benefits include the development of singing, dancing, acting and artistic skills. Other obvious benefits include the development of artistic skills, organisation skills, stage hand skills and sound and lighting skills.

Perhaps the less obvious benefits include the team work required by the students and staff to rehearse and perform, the development of good will between staff and students and the opportunity for staff to show their truly creative talents.

All in all, Circus Splendida promises to be an excellent show which will foster pride across the school community.

Telarah is a great school with great programs.  
Enjoy the show.

## **P&C Meeting Tuesday Night**

A roll up of over 20 people helped make the P&C a most successful meeting.

A huge congratulations to Kylie..... and Rusty (Russell) .... who take on the roles of President and Secretary respectively.

A real sense of excitement is in the air as the possibility of Carols evening in Term Four was initiated. A great meeting.

## **123 Magic , a Great Success**

## CLASS AWARD -

### Excursions Create a World of Learning

On Thursday 1K drove to the Australian Reptile Park. We saw a Tasmanian Devil, flying foxes, echidna, tree frog, lizards, python snakes, alligators, tortoises, kangaroos, koalas and a funnel web spider. The Tasmanian Devil looks like a real devil because it has all black and white jaws. The tortoise was 1 metre long and it had lots of grass to eat and stared at me because I stared at him. I patted a Blue tongue lizard, white snake, a brown snake and a different type of lizard. We had lots of fun. There was spider world and lots of reptiles.

### Book Club

The last day for orders from the Monster Book Sale brochure will be this Wednesday, 15 September. Sorry for the rush with this one, but to ensure our order arrives back at school before the holidays, I will need to put it in on Wednesday afternoon. As Mrs Bateup is on leave for the rest of the Term, I will also be doing her Primary order. All orders and money may be brought to me in the QuickSmart room.

Thanks  
Sue Jarrett

### Coles Sports for Schools

Our school is participating in the Coles Sport for Schools Program.

Every \$10 spent at Coles Supermarkets or Bi-Lo between now and Sunday 31 October 2010 will earn a Coles Sports for Schools voucher worth 1 point.

Let's try to collect as many as we can by asking our relatives, friends, neighbours and work mates to collect them.

REMEMBER you must ask for the vouchers every time you shop at Coles and Bi-Lo. The more we collect the more sporting equipment we will get for our great school.

## CIRCUS SPLENDIDA

We are staging a wonderful concert with a circus theme for our performing arts project for 2010. It will involve some terrific songs, dances and circus acts! We are very impressed by the level of enthusiasm amongst our students already. We are looking forward to a sensational show.

# Lower Hunter 1-Day Chess Tournament

## 8 Sept 2010 - Newcastle PCYC

Congratulations to our nine chess teams who travelled to Newcastle PCYC at Broadmeadow to contest the Lower Hunter Chess Competition.

This is a one-day competition—separate to the knockout that we play in our school hall. We were particularly proud of the concentration and behaviour of our students who ably represented Telarah PS. All of our teams scored points, and we had a number of teams winning the majority of their games.

Our thanks to Mr Debenham and Miss James and all the parents who made our attendance at this tournament possible.
