PRINCIPAL'S MESSAGE

Starstruck

Congratulations to our two groups of students, teachers and their families for representing our school with distinction at Starstruck this week. We appreciate your commitment and dedication and wish you all the best for your performances later this week.

High School Students

Recently we have begun to have some concerns about the behaviour of students from Rutherford Technology High School when on our school grounds and would like to request that parents have a conversation with their high school age students and remind them of their responsibilities when visiting our school. High school students should only attend our site under the direct supervision of their parents. This message will be reinforced by the High School in their newsletter this week.

When issues occur, I contact the Principal at the Rutherford Technology High School. Students misbehaving inappropriately when on our grounds may be suspended from school and face an Enclosed Lands Act Ban from the Telarah Public School site.

Athletics Carnival

I spent some time this afternoon at our Athletics Carnival in Woodberry. The weather was absolutely perfect and it was great to see many parents and grandparents supporting their children. Congratulations to Mr Willcocks for organising the event, he finally got the weather right!

Newsletter

Last night at the P&C meeting, there was an informal discussion about the newsletter and the different ways people interact with our school. Some parents prefer Skoolbag, some Facebook and others still prefer the hard paper copy of the newsletter. We are committed to ensuring that our communication meets your needs. Please ensure that Mrs Gissane is aware that you would like a hard copy of the newsletter sent home with your child.

Camp Quality Puppet Show

Camp Quality is presenting a FREE educational puppet show at our school on Friday, 24th June for all students K-6. The puppets tell an interactive, engaging narrative that explains:

- The ins and outs of cancer
- Why it's important to be supportive of their classmate who is either living with cancer or has a family member with cancer

The show helps to reduce the likelihood of bullying, confusion and exclusion. It also helps them relate to their peers, who gain an understanding of what their family is going through.

The CIRCUS is coming to Telarah Public School!

In week 1 of next term (Wednesday, 20th July and Thursday, 21st July 2016) we will be having a very special visit!

CIRCUS CHALLENGE is a fun, engaging and hands-on experience for the children. The students begin with hands-on **Circus Skill Workshop sessions** in class groups, where they will be challenged with skills like juggling, plate spinning, diabolo, adagio balances, stilt walking, rolla bolla and loads more. The aim is to involve each student from Kinder to Year 6 in learning physical skills, creative activities and team building. Then finally at the end of the day, it is **SHOW TIME**. Students will have the thrill of performing on stage as part of their very own Circus Show. There is music, fun and excitement (but NO clowns or animals) at this Circus!

Cost is only \$7.00 per student for this fantastic program. A permission note will be sent home with your child. Please complete the form and send it back to school with the money, by the first day back of Term 1.

Our school times are 9.10am to 3.10pm.
 It is important to stay all day.
 Please endeavour to have your child at school on time and limit picking up early unless absolutely necessary.

We are now open and taking enrolments. Please feel free to contact us on 49331532 to find out more information or to book a tour of our centre. We look forward to hearing from you!

What we offer:
 * One of a kind school readiness curriculum that is based on the NSW Government School Syllabus document
 * Nutritious meals provided including lunch that meets children's daily dietary requirements
 * Extra curricular activities, visitors and events provided at no extra cost
