Tickets are on sale now for the show "No Limits" and as always it is an amazing opportunity for our students to perform and an outstanding show to watch. Well done and can't wait to see it!

Chess Challenge

Congratulations to our Chess Team who recently competed in the Interschool Challenge. Our school took out 2nd place overall with individual places in the top three going to Tavish who placed 2nd and Bill who came 3rd. Thanks to our staff and families for your support of the team. PRESCHOOL NEWS

We have had some very creative Preschool children this fortnight. The children have been able to access 'Tap, Tap' where they are learning to hammer small nails into shapes to make pictures. This is assisting the children in developing

their fine motor skills, eye/hand coordination and social skills in sharing. This activity is also giving them the skills to progress onto larger projects such as hammering nails into pieces of wood just like the builders building our new outdoor play area.

KINDERGARTEN NEWS

Ahoy! What a fantastic Day Kindergarten had on their Beach Excursion. The children and staff caught a bus, a train and then walked to Nobby's Beach where we played in the sand, had an ice block and 'Shiver me timbers' a pirate appeared on the beach. The pirate had a problem which Kindergarten need to solve. The pirate's ship had sunk and he has asked the Kindergarten children to build some ships that can float. The children have already begun looking at what they could make their ships out of.

HELP.....PRE LOVED TPS CLOTHING NEEDED

If you have any spare Telarah Public School clothing that you no longer need it would be greatly appreciated if it could be donated to the school. This could be in the form of shorts, shirts, jumpers or tracksuit pants.

Our collection of spares is running extremely low!!!!

LIBRARY NEWS

Book Club Issue 4 will be sent home this week with students. Orders need to be placed online by Tuesday 18th June as order will be placed on Wednesday.

Just a reminder that we do not accept cash with a book club order form, to order you need to follow the instructions on the back of the book club order form and complete your order through 'LOOP'. When you order through 'LOOP' you do not need to send anything to school, it will automatically appear in the orders when I submit orders on due date. If you are ordering gifts please mark that on the order so I don't hand it to students by mistake.

If you require help, please feel free to come in and ask, I'll be more than happy to help out.

A number of students have almost completed the PRC (Premier's Reading Challenge) for their year level individually. All students K-2 will complete the challenge by reading in the library and classrooms but eager students have been borrowing the correct levelled books and are keeping note of them. Congratulations and keep up the fantastic work everyone.

Our school library has its own Instagram page and we would love it if you could follow us and engage with us by liking our posts. The page is all about positive promotion of the school library and the exciting learning that takes place on a daily basis.

WOOLWORTHS EARN & LEARN

This year we are participating in the Woolworths Earn & Learn Program. Stickers are collected when you shop at Woolworths. The children have been given a collection sheet and when completed can be brought in and placed in the Earn & Learn box in the office foyer. If you do not have a collection sheet you can get one from the front office or stickers can be brought in and put in the box. The amount of stickers we collect allows us to receive equipment for our school. Your support would be greatly appreciated.
